## **PATRICK SELLS**

Chief Innovation Officer, Quontic  
New York, NY

---

Patrick Sells is a serial entrepreneur with a passion for helping scale both profit and non-profit organizations through marketing and technology. As the Chief Innovation Officer at Quontic, Patrick is focused on drawing a new generation of technology talent to the banking industry and elevating Quontic as a destination employer. Sells blends together the desire to use technology to make the world a better place and change the perception of banking. He is an award-winning leader who has been recognized for digital innovation in banking earning American Banker's Digital Banker of the Year Award and also named to Independent Bankers 40 under 40 list for emerging community banking leaders in 2020. Quontic is the adaptive digital bank that is federally chartered and digitally-focused with business in all 50 states. The bank is headquartered in New York City and has earned the U.S. Department of Treasury certification as a CDFI.
