

## Graduate School of Banking

at the University of Wisconsin – Madison

---

### **KATIE SHUCK**

Dakota State University  
Brandon, SD

---

Katie Shuck is a Cybersecurity Champion with a passion for developing usable security and privacy, as well as working with cryptography. She teaches Data Privacy Laws for the Graduate School of Banking. Katie is also a speaker for the SBS Institute and an instructor with Dakota State University's CybHER program, where she educates and motivates girls and women to pursue degrees and careers in the Cyber Sciences. She teaches the importance of understanding how the use of technology impacts our security, safety, and privacy. Katie has previously served in educational roles teaching Operation Security (OPSEC) to military families, as a middle and high school educator, and as a corporate trainer in the U.S. and abroad. She has a Bachelor's Degree in Communication and Spanish from St. Louis University and is currently pursuing a degree in Cyber Operations with a Certificate of Cryptography from Dakota State University.
